No. DMG/MAJ/TRANS/REG/01|1296
Government of Goa,
Directorate of Mines & Geology,
Udyog Bhavan,
Panaji Goa.

Dated: 13/08/2012

To,

All the lease holders/traders

(through)

1. Goa Mine Owners Association,
Vaglo Bldg., Panaji Goa.
2. Goa Mineral Ore Exporters Association,
Post Box No. 113, Vaglo Bldg.,
Panaji Goa.

Sub: Regarding regulation of Transportation of mineral ore.

Since new mining season is about to begin and it is important to regulate the transportation of ore so as to maintain a proper account of ore for computation of royalty and other dues payable to the Government. So also to ensure that the mining transport is regulated through respective lease holders/traders irrespective of the fact whether the transportation of ore is carried by lease holders/traders directly or otherwise.

The following shall be implemented w.e.f. 15th August 2012 onwards for strict compliance failing which the respective lease holders/traders shall be held responsible for such irregularities.

1. Every lease holder shall install electronic weigh bridge with necessary software to generate transit pass/permits as specified by Director of Mines & Geology.
2. The weigh bridge shall be calibrated before commencement of next season through Competent Authority.
3. The weigh bridge shall generate permits/passes having details like T.C.No., Vehicle No., Destination, Quantity of Ore and such other details as specified by Director of Mines & Geology.
4. The weigh bridge shall be programmed in such a manner that no passes/slips etc. shall be generated for quantities above carrying capacity of any carrier/vehicle.
5. There shall be no overloading by carrier/vehicle above carrying capacity.
6. A copy of Permit/Pass generated at weigh bridge shall be displayed on the carrier/vehicle by pasting the same on the windshield.

7. The Driver driving the carrier/vehicle shall have commercial batch issued by Department of Transport, Government of Goa. The drivers shall not drive the vehicles in rash and negligent manner and shall obey traffic rules.
8. Proper safeguard shall be taken to avoid dust pollution, including covering the vehicles with Tarpulin.
9. There shall be adherence to the directions issued by the Hon'ble Supreme Court and Hon'ble High Court and other authorities of Government.
10. If overloading of carrier/vehicle is found a fine of Rs. 5,00,000/- per vehicle shall be imposed which shall be recovered from the respective lease holder/trader.
11. If overloading of 25 or more carrier/trucks is found from any lease hold area, the proposal shall be moved to the Government for termination of lease of the lease holder.
12. The practice of submission of Daily Report of transportation shall invariably be continued on Departments Email ID: dmg.goa.report@gmail.com not later than the next day of transportation of ore till the new website is operational with an interface with lease holder/trader for real time data collection.

For strict compliance.

(Prasanna A. Acharya)
Director of Mines & Geology
